## **Sleet – sodra**

- **We went to Korčula. This is an island in Croatia. Andreja, where did you spend your holidays?**
- Last summer we didn't go anywhere, because of corona virus. Two years ago we went to Croatia, in a camp. The camp was located in Tisno, close to the coast (*obala*).
- **I love to visit Croatia, because it has the most beautiful sea. This is my dream holiday location. What are your dream holidays, Andreja?**
- I always say, that the most beautiful holidays for me, would be travelling by car and the ferry, in my own organisation, to an island in Croatia. My husband has a boat and we like to ride around the small islands.
